

Let us give your home the roof it deserves.

# Dulux AcraTex® Roof Restoration System

Your roof provides more than just shelter. It is an extension of your home and should be given the same love and care to match the inside's look and feel.

That's where we come in. Dulux AcraTex's Roof Restoration System is an opportunity to refresh, revitalise and transform your roof to not only reflect your home, but you and your family too. Backed by the most trusted paints brand in Australia<sup>1</sup>, we provide a full restoration system.

To reinforce Dulux AcraTex's quality, we offer a 10 year warranty on product performance covering aspects like film integrity, peeling and cracking as well.<sup>2</sup>

Let us increase your street appeal and give you the home you deserve.

# THE FULL ROOF RESTORATION PROCESS

The Dulux AcraTex Roof Membrane coating system is a full restoration process installed by Dulux AcraTex Approved Roofing Applicators that gives customers a 10 year material warranty<sup>2</sup>.

TILED ROOF	METAL ROOF

# REDS

Traditional red roofing is an Australian iconic element. To create a traditional feel you can't go past these familiar earthy reds and terracottas for a timeless appeal. There are so many options when creating a colour scheme with a red roof. As these colours are earthy you can use natural greys, greiges, greens and stone colours.

## EXTEND YOUR ROOF'S PROTECTION

Roof Membrane Glaze Coat is a premium system that delivers a high gloss finish, which helps resist further weathering.

Applied over the top of the Roof Membrane colour coats, Roof Membrane Glaze provides a clear polymer coat that enhances and protects your roof.

### *Dulux AcraTex 10 year warranty\**

A 10 year material warranty is issued on product performance when the *Dulux AcraTex* Roof Membrane coating system has been applied by a *Dulux AcraTex* Approved Roofing Professional. System warranties cover film integrity, peeling and cracking. Natural weathering occurs on all exterior surfaces. Minor changes in appearance including to colour or gloss are a natural process caused by normal weathering. Dependant on location and environment, regular inspection and cleaning will extend your roof's good looks and protect your investment. Refer to the *Dulux AcraTex* Roof Care & Maintenance guide for more information about this warranty, including your statutory consumer guarantee rights which may also apply.
